

Questionnaire

A Heritage Conservation District (HCD) Study is currently being undertaken for Toronto's St. Lawrence neighbourhood. This Study will assess the neighbourhood's potential for HCD designation and will inform future policies and guidelines for the neighbourhood. The creation of an HCD is a collaborative process, and the community plays an important role in building a thorough understanding of the character-defining values and heritage resources in the study area. This questionnaire will help us gain additional insight into the distinct history and character of your community.

Please provide your answers in the space below each question, or by drawing on the Map on page 4. Feel free to provide feedback on additional pages if necessary.

Completed questionnaires can be submitted at the end of this meeting, or scanned and emailed to Lauren Archer at larcher@toronto.ca. You may also mail your questionnaire and comments to the preservation officer at Toronto and East York District, 100 Queen St. W. Floor 17 E, Toronto, ON, M5H 2N2.
